

Sylvan Heights Golf Course

Private Golf Cart Guidelines

1. The Cart Trail Fee Pass is valid for only the private cart owners and their immediate family (**those family members residing in the cart owner's home**). No one else is permitted to operate the cart on the golf course.
2. **Golfers riding with a cart owner who are not immediate family must owe half cart fees.**
3. Carts are not to be parked and left on #1 and #10 tees. If the cart is not being used, it must be returned to the storage barn.
4. Private carts are not permitted on golf course property for any reason other than golf. Site-seeing on golf course property is strictly prohibited.
5. All private cart owners are responsible for bodily injury or property damage caused by their cart. **All private cart owners must carry liability insurance and provide the clubhouse with proof of insurance.**
6. Private carts must be a minimum of 30 feet from putting green or on the cart path. Carts must remain on paths around tees.
7. Remember: The safety of others depends upon your actions and responsible golf cart operating behavior.
8. It is in the best interests of both the property owners and the golf course that unauthorized activity or people on the golf course be reported to the clubhouse. Reporting unauthorized activity or personnel may prevent serious injury from occurring.

*A complete set of guidelines is posted in the clubhouse. These guidelines are intended for the safety of golfers and non-golfers around Sylvan Heights Golf Course. **The management of Sylvan Heights Golf Course reserves the right to modify any of these guidelines at any time without notice.** Failure to follow these guidelines after notice and written warning will result in the termination of privileges without refund of any fees.*
